Exploring Computer Science Scratch #7 – Dice Rubric

Do you have?	Points Possible	Yes	No	+/- from Total	Grade
A Sprite has been added that looks like a button with the text <i>Roll the Dice</i> .	2				
When the button Sprite is clicked, it broadcasts <i>Roll the Dice</i> and waits.	2				
When <i>Die1</i> receives <i>Roll the Dice</i> it sets the value of <i>die1</i> and changes its costume to match the value of <i>die1</i> .	5				
When <i>Die2</i> receives <i>Roll the Dice</i> it sets the value of <i>die2</i> and changes its costume to match the value of <i>die2</i> .	5				
<i>total</i> exists and is set to the sum of <i>die1</i> and <i>die2</i> by the button Sprite	3				
Costumes look consistent/real with given dice.	3				
Minus Points (Wrong Folder Name, Wrong Filename, Unnamed Sprites, Bad Grammar)	-				
Total for Scratch #7	20		Total:		
On Time Points	10		Total:
